TDCAA rule modifications

Team composition

4.1.1 – A team may have up to 18 players as per OFSAA regulations.

Team eligibility

A junior player may play in two matches in senior without losing his junior eligibility.

That player must be denoted as a junior on the scoresheet.

The term play in means that they have to actually be a starter or substitute for a starter during many set during the match to have been considered to have played.

Substitutions

15.6.3 - A substitute may enter for the same player up to 12 times per match.

15.6.4 – There are 12 subs per set in total.

Libero

19.1.2 – The Libero must wear a jersey that is contrasting to the regular uniform

- It can be unnumbered.
- It can be denoted as zero or a colour on the score sheet above the teams name per set.

*** It is strongly suggested that proper Libero jerseys be purchased as we do send senior teams to OFSAA each year and they follow proper uniform regulations.**

Game ball

The current game ball of the TDCAA is the Mikasa MVA 200.

Minor Officials

- Each home team must provide a trained score keeper for home games.
- Each school should provide one linesperson for the match. If there is some change to this protocol the coaches must agree to the change prior to the match.
- If there is no agreement then return to one representative from each team if possible.

Section B: Match protocol

2. All matches begin at 15:30 unless stated otherwise in the official schedule

Section C: League structure

1. League structure. will be dependant on the number of teams entered from one season to the next.
2. The cost of officials for a 3 out of 5 will remain \$70. That fee will be split \$35/\$35 and paid by both teams prior to the match beginning.

Section D: Play-off Structure

This will be dependant on the number of teams entered from one season to the next.

OFSAA play downs

2. It is the responsibility of the home team coach to forward the white copy of the score sheet via our board's inter-office mail service to my attention (Michael Wahbi) at Monsignor Percy Johnson. Any of our association schools that are not on the school courier service can hand their white sheets to one of our TDCAA schools at one of your away games and that coach can send those white copies along with theirs via the courier service.

Section F: OFSAA

1. **OFSAA locations vary from one season to the next.**
2. **All teams will declare which OFSAA their team will be competing for prior to the play-offs beginning.**

Section G: Discipline

1. **Any player or coach that ejected from a match. In the rules of volleyball that requires a yellow and red card together will have to appear before the Leagues Disciplinary Committee prior to being reinstated for play. The coach must report this to: Paul Solarski, David DiMauro and Michael Wahbi.**
2. **Please note that two yellows or a straight red card in volleyball means that a player is removed from one set only and not the whole match. This should be reported on the score sheet and be reported to the convenor.**
3. **If any match is defaulted it must be reported to the convenor.**
4. **If a default is reported then the official should not be paid . Once the offending team has been identified that school will be charged the full ref fee for that match. That cheque will be sent to the convenor who will send it on to the official of that match.**
5. **A default can be appealed to the TDCAA within 24 hours of the default. This is reported to Peter Morris, Tracey Parrish or Eva Roser.**

Section H: Transfer students

Each new student in your school must first be cleared by the transfer committee before he can compete in a TDCAA sanctioned match, exhibition or tournament game. After being cleared by the League he will be able to compete and be placed on the league roster by the Athletic director.
