- 3855 Chesswood Dr
Toronto, ON M3J 2P6
(Sheppard W. & Dufferin)
(416) 638-1010

All Mixed doubles will take place on Championship day.

Important information

- Single elimination.
- Max 5 minute warm up.
- Pro-set (first to win 8 games)
- One winner per day in each category will advance to the Championship day.
- No adds in deuce. Next point wins the game.
- Each team must supply their own new tennis balls. Each player brings a can of balls to each match. Open 1 can. After the match, the winner takes the unopened can and the loser takes the opened can.
- No coaching players during the game.
- Only the players can call the shots in/out & lets. Serving player keeps score.
- No coaches or spectators can interfere. If there is a disagreement, replay the point. Even if you know the players made a mistake, they must resolve it.
- The only exception is the tie 7-7 game tie breaker. A neutral coach can explain the procedure and keep score. They still cannot call in/out & lets.
- Email paul.salvas@tcdsb.org the names of your players and their category before your tournament date.
- We need all the coaches to supervise the courts. Please make sure the students report scores quickly and don't use courts between matches.
- **Reminder:** Students should not be wearing their school uniform while playing matches. They will still be allowed to play but it is discouraged.

Thank you for coaching.
